

River Sweep
Hudson Shores Park, City of Watervliet
October 17 & 18, 2020

Interested in doing some good for people and the planet? Volunteers are needed to help Riverkeeper, a non-profit dedicated to protecting the Hudson River, to reduce impacts of litter on wildlife and enhance visitor experience.

A couple hours commitment will make a big difference in a natural area that has gorgeous views and great river access. Why not stop by and 'pitch in' at River Sweep? Choose the **Saturday, October 17** shift, 11am to 2pm, or the **Sunday, October 18** shift, 11am to 2pm.

In partnership with Riverkeeper the Capital Region Interfaith Creation Care Coalition (CRICCC) is sponsoring River Sweep at Hudson Shores Park in the City of Watervliet. CRICCC is a local coalition with members from different faith communities who learn and share ways to save our natural heritage.

It could be a great family activity and you may be surprised by this hidden gem of a park. For more information, contact Barbara Leonard at (518) 527-9917 for Saturday, or Barry Pendergrass at (518) 489-4558 for Sunday.
